Tom Angelo

Southwest Delegate
Dan Sullivan

Southeast Delegate
Mike Frommer

Northwest Delegate
Elizabeth Wick

Executive Administrator
Judi Henrich

Dear OWEA Supporter,

If you are receiving this letter for the first time, please consider sponsoring the 2009 Ohio winning teams from Wooster and Bowling Green travel and competition at WEFTEC in Orlando. If you have supported us in the past, we once again thank you for your support. It is greatly appreciated! This is a mutually beneficial endeavor showing that you support the Water Environment Federation, the Ohio Water Environment Association, and the operators who operate the plants that you design, or perform their work with the products that you sell.

This year was the first year that the Ohio Operations Challenge was a separate function away from the State Conference. An Operator Education Day was held in conjunction with the annual competition at the Delaware WWTP and the day was a great success! The next step for our committee is to ensure that we have the funding to cover the two Ohio teams expenses incurred while representing us in Orlando this fall. You ask, "what do I get for this donation and how much do I need to commit?" Please see the answer below.

- \$2500 (Gold) Company Logo on WEFTEC Team Hardhats (2 available) and name on back of WEFTEC team shirts, and recognition in the Buckeye Bulletin
- \$1500 (Silver) Company Logo on WEFTEC Team Shirt Sleeve (4 available) and name on back of WEFTEC team shirt, and recognition in the Buckeye Bulletin
- \$500 (Bronze) Company Name on Back of WEFTEC Team Shirt and recognition in the Buckeye Bulletin
- \$_____ Individual Donation

As mentioned above, your contributions will go towards assisting with the teams travel expenses incurred representing Ohio in the national Operations Challenge Event during WEFTEC in Orlando. Sponsoring the event gives your company exposure on the exhibit floor by teams that traditionally have drawn national attention as being in the running for the overall title for the past 4-5 years. At the same time, your business is recognized as supporting Ohio's operators. Again, we sincerely thank you for your contributions and look forward to seeing you October 12th & 13th in Orlando, Florida during the Operations Challenge event helping us cheer on Ohio's teams!

While the Ohio contest is over, it is not too late to contribute to the winning teams' travel to WEFTEC and be recognized on the teams' shirts and hardhats. OWEA is not holding an Ohio Mixer in Orlando, so this is your only chance to sponsor an Ohio event at the national conference this year. **Please return page two (the Sponsor Form)** with your check to: OWEA, 1890 Northwest Blvd., Suite 210, Columbus, Ohio 43212.

Thank you for your consideration.

Sincerely,

Kim Riddell
Operations Challenge Coordinator
Ohio Water Environment Association
