Come have an evening seeing one of the largest treatment plants in the State and getting a free contact hour. This is also a great opportunity to network and meet local working professionals especially for students or someone looking to get into the field.

Please meet in front of the Administration Building (shown on map) and wear closed toe shoes.

Being a member is not required for this event, but if you would like to get more involved, memberships are located at <https://www.ohioewa.org/membership.php> and student memberships are free.
